

MEET THE PRIDE

All of our professionals come from a variety of backgrounds and areas of focus. Each member of our team brings a unique quality, which aligns with our values. Like with our clients, we hire and meet our Pride members where they are. Some are part-time so they can focus on being moms, assisting with non-profits, and attending school for advanced degrees. Some are full-time assisting with on-site client needs, and more. Each member of our team brings an authenticity to the company and to our clients.
