

GET TO KNOW ME

Alexia Thomas

Senior Human Resources Generalist

Industry Experience: I bring a diverse background with experience across multiple industries, including healthcare technology, solar energy and storage, the pet industry, research services, and broader tech sectors. This range has equipped me with a versatile skill set and the ability to adapt quickly in dynamic environments.

Specialties: Onboarding, offboarding, employee engagement and HR administration

Originally from the Midwest, I now call Nashua home, where I live with my husband, two children, our dog, and our cat. I love trying new things and exploring everything New England has to offer—whether it's weekend adventures with my family or discovering local hidden gems. I'm passionate about the arts, and when I find a quiet moment, I enjoy getting creative through crafting. Outgoing and fun-loving by nature, I'm always up for a good laugh and a new experience.
