

GET TO KNOW ME

Christine (Chris) Holmes Human Resource Consultant

Years of Professional Experience: Over 30 years of HR and operations experience

Educational Background: I earned a BA in Psychology from UMass Lowell.

Industry Experience: Over 30 years of human resources and operations experience in varied manufacturing industries including semiconductors, fluid precision pump technologies, hard & and soft cover book manufacturing, and holographic optical variable devices (OVDs).

Specialties: Business communications, best practice process improvement, policy creation, and employee relations.

I'm a native New Englander, a Massachusetts-born New Hampshire transplant for almost 30 years, first in Nashua and currently in Gilford near Lake Winnepesaukee. My husband and I moved to Lancaster County PA about 7 years ago so I could begin my role as operations director for a global anti-counterfeiting organization. After guiding the org successfully through covid I had the opportunity to return to my HR roots AND return home to New Hampshire. These days I'm passionate about the need for a return to civil discourse, an appreciation of our similarities, and respect for our differences.
