

GET TO KNOW ME

I'm happiest when I'm outdoors, cooking something creative, or doing a project. I love spending time with my family. I live in Goffstown, NH with my husband, three kids, and two dogs. I love helping others grow and find clarity and confidence. The people development piece of work is the most interesting thing for me because I love seeing the results.

Justine Kincaid Cassily

Senior Human Resources Generalist

Years of Experience: I Started in the HR field in 2017, with specialties in Talent Acquisition, Onboarding, I-9 Compliance

Industry Experience: I began my career in Retail Operations Management in 2006 with a focus on exceptional customer service. Through cross-functional collaboration, I developed early exposure to Human Resources while in leadership roles. In 2017, I transitioned into an HR Administrative position, building a solid foundation in HR operations. In 2021, I took on a multi-site support role gaining hands-on experience with HR Generalist responsibilities in a fast paced and fluid environment.

Why do you love what you do? I love seeing people feel valued and supported at work. HR is really about helping humans thrive and grow. There is no greater satisfaction than coaching and mentoring and watching someone excel with the knowledge you've shared.
