Why do you love what you do? I love being a payroll specialist because it's a unique mix of precision, responsibility, and people-focused work.

I am a bubbly person who tries to see the positive. Spending time with my family and friends is my favorite way to spend my free time. I also love to travel. And when I'm not traveling, I am baking sweet treats, singing or trying to make people laugh! Living in the heart of the heart of the White Mountains has given me an appreciation for nature's beauty and all that it has to offer. I enjoy the slower pace of life and the sense of small community.
