

GET TO KNOW ME

Amanda “Andie” Anderson Human Resource Admin

Years of Experience: Over 10 years of experience

Educational Background: Currently pursuing a degree in HR.

Industry Experience: Blue Collar, Construction, Automotive, Healthcare, Technology, Hospitality, Health Insurance, and more.

Specialties: Onboarding, Reference Checks, and Payroll Processing and Support

Why do you love what you do? I love being able to help a business with benefit enrollment, payroll support, or onboarding new employees. Being able to take some of the administrative responsibilities so businesses can focus on other important initiatives and thrive.

I worked as a veterinary technician for a few years before moving into a more administrative role. I am currently enrolled in a degree program to expand my knowledge of Human resources. I hope to have a degree in the next few years and to be able to continue growing knowdlege of all things Human Resource related.

I am a people-person who genuinely enjoys customer service and helping people. I have over a decade of Customer Service and administrative experience.
