

GET TO KNOW ME

Janis Merrow

Human Resources Consultant

Nick Name: Jan

Has been practicing HR since... 2003

Industry Experience: IT, Engineering, Professional Office

Specialties: Employee Engagement, Performance Management, Management Coaching and Development, Recruiting, Client Relations, Process and Procedures

I am an experienced, compassionate HR and Management professional with a passion for helping businesses to create powerful, productive teams with a continuous focus on company mission and goals. My experience includes managing large and small teams, and developing standard operating procedures while always focusing on the best interest of the company and the employees. I have received numerous rewards for quality and process improvement initiatives during my career.

I am a dedicated, professional, self motivated, kind, and lighthearted individual. I am passionate about all of my non-profit work as it truly fills my heart with joy. My hobbies and interests include: skiing, hiking, yoga, running, pickleball, fine dining, biking, paddle boarding, playing games, anything outdoors.
