

GET TO KNOW ME

Alexia Thomas

Operations Manager

Years of Professional Experience: 7+ years

Industry Experience: 5 years of Program Management experience in Higher Education and 2 years of Operations experience in Emergency Response for the State of New Hampshire.

Why do you love what you do? I love finding solutions to problems!

My background is in program management and operations. I'm currently located in Portland, Maine. I love being a part of the BlueLion team and working with every single one of our amazing team members as we take huge steps forward together, into the future of HR consulting in New England!
