Megan Coe

Payroll Specialist

Industry Experience: Megan brings a strong background in payroll and accounting, with hands-on experience processing payroll and supporting financial operations. Most recently, she worked as a Staff Accountant, and prior to that she served as a Payroll Specialist where she managed payroll processing and collaborated closely with HR and finance teams.

A little more about Megan: she's a pink girl, runs on coffee, and loves spending time up north in NH. Megan is all about beach days in the summer, pumpkin everything in the fall, and Christmas is her favorite time of year. Megan loves Mexican, enjoys yoga, running, and board games with her kids. Her biggest tv show recommendation is The Office (queue the Michael Scott memes). Megan's hidden talent is being great at reading people, which will come in handy when working closely with clients, and if she could have one superpower, it would be healing all illness, which says a lot about her caring nature.
