

GET TO KNOW ME

Naliah Davis

HR Operations Intern

Years of Experience: I graduated from Pinkerton Academy in 2023 and am a current full-time student at the University of New Hampshire. I'm just getting started!

Why do you love what you do? I have never done this before, but I really like how engaging it is. Even working from home, I feel like I engage with people on a regular basis. I think I am also in a unique position being Toni's niece. I've grown up hearing her conversations, and observing her professional interactions, but now actually experiencing it and being apart of those conversations is really incredible.

I'm very passionate about children and their impact on the world. I love talking and engaging with different people and hearing their stories. I love learning, I think its so important to also be learning. I live in Deerfield, NH with my huge family! In fact, when I'm not working, I'm usually babysitting my little siblings! (or hanging out with friends)
