

GET TO KNOW ME

Tisha Jangid **Senior HR Generalist /** **Payroll Implementation** **Specialist**

Years of Experience: I have 11+ years of experience in HR.

Industry Experience: I have HR experience in Non Profit, Tech, HR Staffing/Consulting, Service Industries, Robotics Industries, and Construction. I really flourish when working on workforce planning, HR technology, and process improvement initiatives that combine strategy and people.

Why do you love what you do? I enjoy empowering individuals and building strong, encouraging workplaces where people excel. HR provides me with the chance to build profound connections and execute strategic projects that benefit the company and its workers.

Tisha comes with a passion for connecting with people and a love for all things coffee (especially experimenting with flavors!). When she's not working, you can find her hiking in the spring, swimming in the summer, apple picking in the fall, and tubing in the winter. A fan of the Indian National Cricket Team, Lady Gaga, and the magical world of Harry Potter, Tisha brings vibrant energy to our team!
